Sir,

With reference to your letter No. 3144 10638/CB dated 13th January 1950 addressed to the private Secretary to His Highness the Maharaja of Mysore, copy of which has been forwarded to the Deputy Commissioner, Mandya in the matter of fixing a date for the 18th Conference, Mysore State Education League to be held in Mandya in the last week of February or the 1st week of March 1950, I wish to state that the date if graciously agreed to by His Highness the Maharaja would be too near and the Reception Committee would have hardly any time to make adequate preparations for a big Conference like this. The Reception Committee would be much thankful if a suitable date is fixed giving them a month's time for making preparations. Further, this part of the school year is very precious both for the students and the teachers as Public Examinations will commence early in March 1950. The University Examinations begin from 1st March 1950. So, I request you to write to the private Secretary to His Highness the Maharaja of Mysore kindly to postpone fixing the date now proposed in view of the above difficulties.

P.T.O.

It is felt by the Reception Committee that a date in the latter part of May or the 1st week of June 1950 would be very convenient for holding the Conference.

Awaiting your kind reply in the matter,

Yours faithfully,

H.E. Barnes.

With reference to your letter No.E.7854 dated 16th January 1950 calling for detailed information about the Mysore State Education League, its aims and its activities etc., I have the honour to enclose herewith a printed copy of the constitution and rules of the said League wherein detailed information about its aims, objects and activities is furnished. I may, in this connection, state that the League is the only well organised, and well articulated body of teachers representing all grades of education in the State. It had its first session in Tumkur on 15th April 1926 and the conference now proposed to be held at Mandya is the 18th session. Membership is of two kinds Individual members and affiliated Associations, the present strength of which is as follows:-

	No.	Strength.
1. Individual members.	279	279
2. Primary School Teachers' Associations.	186	12,250
3. Middle School Teachers' Associations.	63	1,020
4. High School Teachers' Associations:-		
(i) Government. ..	28	495
(ii) Municipal. ..	53	465
(iii) Aided and Recognised. ..	17	280

The work of the League is conducted through nine Sectional Committees which are guided in their work by the Sectional Chairmen. These Committees discuss freely and study topics relating to their sections and have their annual sectional meetings during the general conference. These committees form the back-bone of the organisation. Some of the sections have done very good work in recent years.

Post-war Planning of Primary Education, Reorganisation of the curricula of studies, Administration of Libraries, Adequacy of the grant-in-aid rules, preparation of frequency lists of words, Schemes to publish suitable readers in Kannada and several other subjects have been discussed and planned. The League is publishing a quarterly Journal and is disseminating useful information and knowledge on education and teaching which is very popular and instructive

The League organises annual conferences in one of the - Districts each year in order to elicit impression of opinions of distinguished body of Educationists and focus attention on important aspects of Educational work and planning. Papers of outstanding interest are read and discussed at these conferences. Eminent educationists are invited to preside over the General Sessions of the conference and sectional meetings. There will be Symposia meetings, public discussions and lectures, the participant of which are those who have made a deep and learned study of education in all its aspects and bearings. An educational exhibition forms part and parcel of the conference. These Educational Exhibitions place before the teachers the work done by their - colleagues in the matter of teaching, apparatus, crafts and arts, notes and programmes and thus form a refresher course in educational training. The conferences of the League have served a very useful purpose from the cultural, educational and pedagogic point of view. The social contacts between the teachers during the conferences, facilitating free exchange of ideas and thoughts on the work in which they are engaged will go a long way in helping them to give a fillip to the normal activities.

For the convenience of the members, in matters relating to finance, the League has started a Co-operative Bank called the

called the " Mysore State Education League Co-operative Bank" with a capital of Rs.2 lakhs, divided into 20 thousand shares. The object of this Bank is to give relief in times of need to its members even in the moffusil by ultimately establishing branches of the Bank in several District Headquarter towns The progress of the Bank is satisfactory. The League is contemplating to have a building of its own at Bangalore at a cost of nearly a lakh of rupees to enable them to carry on its activities in a more efficient manner. A sum of Rs.9,000/- has already been collected as donations for this purpose and efforts are being made to raise funds for owning a building of its own as early as possible.

Yours faithfully,

Director.

Ramanathiah M.A., Deputy Commissioner and president of the Reception Committee, it was resolved that the Conference may be opened in the first week of July 1950 or any other date that may suit His Highness the Maharaja of Mysore. In this connection, I request you kindly to communicate this to the Private Secretary to His Highness the Maharaja and to fix up a suitable date as resolved by the Committee. On hearing about the date to be fixed, a delegation will be sent to wait on His Highness and request His Highness to inaugurate the Conference.

The early part of July has been suggested on account of the difficulty for water in the Town due to the failure of the Krishna Raja Sagar Reservoir and owing to some casual cases of cholera still occurring in the District.

Yours faithfully,

Dear Sir,

I write to bring to your kind notice, that it is ascertained that the visit of His Highness the Maharaja of Mysore to Mandya Town, has been arranged during July 1950, in connection with the inaugeration of the 18th Mysore State Education League Conference by His Highness at Mandya.

The Government in their Order No. L.B. 7675-7/L.B.22.49.12 dated the 20th January 1950, have been pleased to sanction a sum of Rs.1,000/- towards the expenses in connection with the presentation of an Address by this District Board, when His Highness visits Mandya for the above purpose and also for payment of Rs.200/- from this District Board towards the expenditure of the Education League, as per Govt. Order No. L.B.1491-3/L.B. 8-50-2 dated the 28th April 1950.

In this connection, I may state for your kind information, that an estimate for Rs.50,000/- prepared by the Executive Engineer, Mandya Division, for the construction of a building for the use of the Dist. Board Office, in the premises of the District Office, as per design -- furnished by the Government Architect, at the request of the District Board, has been sent to the Secretary to Government, L.S.G. Department, for obtaining sanction of Government, for taking the work under "Piece work system" with this office letter No. B2.T.56/50-51 dated the 9th June 1950. The construction of a suitable building for locating the District Board has been found needed for a long time. This has been achieved to have the Board's desire to have a building of their own

I request you, therefore, that you will kindly arrange to have the function of laying the Foundation-Stone of the District Board Office, Mandya, by His Highness the Maharaja, by including the same in the --- programme, along with the presentation of the Board's Address to His Highness.

With reference to the correspondence ending with your letter No.4487/CB dated the 20th June 1950, I am desired to state that His Highness the Maharaja has been graciously pleased to consent to inaugurate the 18th Mysore State Education League Conference at Mandya.

His Highness has also been graciously pleased to consent to lay the foundation stone of the District Board Office at Mandya, and the President, District Board, Mandya, has been informed accordingly.

In this connection, the Deputy Commissioner, Mandya District, who was consulted whether 10th or 17th July 1950 would be suitable for both the functions, has written to say that owing to the failure of the Krishnarajasagar Reservoir, the water supply in Mandya Town has been gravely affected and suggests that it would be advisable if the functions could be held in the 3rd or 4th week of August 1950. In the circumstances, another convenient date suitable to His Highness for the two functions will be intimated in due course.

My dear Shri Darashah,

With reference to your letter No.P.H. 98/ 49-50, dated the 23rd instant, I desire to confirm the telephonic conversation you had with me the other day, stating that 6th November would not be suitable to Dr. Reddi who is to preside over the 18th Mysore State Education League Conference and that it would be desirable to postpone the Session till the 20th November. The arrangements therefore for the 6th of November stands cancelled and the arrangements for the 24th of November have yet to be duly confirmed.

Yours sincerely,

Sd/- K. Chengalaraya Reddy.

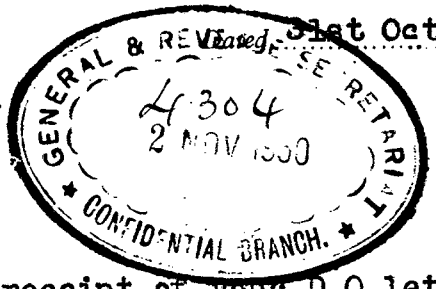
Dated 31st October 50



D.O.No. P.C.124/50-51

Dear Sir,

I am duly in receipt of your D.O.letter No.10967/C.B. dated the 30th October 1950 that the visit of His Highness the Maharaja to Mandya Town has been postponed to the 20th November 1950 or very shortly thereafter. I have to-day received a letter from the Secretary to the Pro-Chancellor that the dates from the 20th to the 22nd November would suit Dr. Reddy. Hence I may perhaps suggest that the 20th November 1950 may be kindly approved for the functions by His Highness the Maharaja at Mandya.

With best regards,

Yours sincerely,

K P Ramanathaiya
